

An Introduction to working in the Built Heritage Sector

Level 3 Award in Understanding Repair & Maintenance of Traditional (Pre-1919) Buildings

NORTHERN IRELAND

CITB-ConstructionSkills NI through the Heritage Lottery Funded project Sustaining Traditional Building Skills in NI seeks to develop the capacity of the construction Industry labour force to engage in the conservation, maintenance and repair of the provinces pre-1919 building stock. It is estimated that 16% of Northern Irelands total building stock is in this category.

CITB-ConstructionSkills NI in conjunction with Belfast Metropolitan College South Eastern Regional College (SERC) and South West College (SWC) are delighted to announce the delivery of an introductory 30 hour training programme: Understanding Repair and Maintenance of Traditional pre-1919 Buildings:

Belfast Metropolitan College: Millfield Campus

Contact: Bronagh Boyle or Kieron Flannery Tel: 028 9026 5424

Email: bboyle@belfastmet.ac.uk

South Eastern Regional College: Newtownards, Downpatrick & Lisburn campuses

Contact: Michelle Curran Tel: 028 9267 7225

Email: mcurran@serc.ac.uk

South West College: Dungannon Campus

Contact: Una Taylor Tel: 0845 603 1881 (ext 3623)

Email: una.taylor@swc.ac.uk

This programme will be delivered at each of the 3 colleges, providing an introduction to Repair and Maintenance in the Built Heritage Sector. In addition College representatives will be in attendance to discuss opportunities for up-skilling available through the Level 3 NVQ Diploma in Heritage skills (Construction).

Course Content

This programme provides an opportunity to undertake the Cskills Awards Level 3 Award in Understanding Repair and Maintenance of Traditional pre-1919 Buildings, in addition an opportunity will be available to participate in a range of practical activities to underpin the classroom based learning. The programme concludes with a progression workshop where participants will find out about additional training and development opportunities which exist; including the Level 3 NVQ Diploma in Heritage Skills (Construction).

Costs: £45 + £68 registration fee
